

## How to make a dolphin model!

### What you'll need:

- ☑ Colouring pens, glitter etc.
- ☑ Scissors
- ☑ Glue
- ☑ Your imagination!

Make a model just like me!

### Instructions

1. Colour in your dolphin with some jazzy patterns. You could even use glitter!
2. Following the solid lines, cut out the dolphin template.
3. Fold along the dotted lines.
4. Glue the dolphin together following the numbers on the tabs. Make sure you hold each tab firmly while the glue dries.
